

East African Portland
Cement Co Ltd

Holding Life Together

ENVIRONMENTAL POLICY

East African Portland Cement Company is committed to improving environmental performance in all its cement manufacturing operations as a business strategy. The company endeavors to minimize significant environmental impacts of its activities, processes and products.

Through management leadership and employee participation, we are committed to:

- Comply with all applicable Environmental laws, regulations, and other requirements that the company subscribes to which relate to its environmental aspects;
- Continual improvement in environmental performance and pollution prevention;
- Set, review environmental objectives and targets periodically;
- Promote resource efficiency by conserving energy, materials and water while controlling dust emissions through adoption of innovative cleaner production technologies;
- Communicate this Policy to employees and avail it to all interested parties.

This policy shall be reviewed periodically for its suitability and relevance to the company.
